HealthProfessions

SPRING 2010 FINAL EXAM SCHEDULE

Final Exam Week: April 24 – April 30, 2010

Students, please remember that you must contact your instructor PRIOR to the exam if you have a conflict with another exam. If you become ill or have an unexpected emergency and cannot make the exam, you must contact your instructor PRIOR to the exam to be eligible for a make up exam. Make sure you talk directly with the instructor or his or her secretary. Failure to do so will result in a zero on the exam. It is your responsibility to ensure the instructor knows you cannot make the exam and why. Do not rely on someone else to send a message and do not rely on e-mail. If you are ill, we will require a medical excuse.
